Tis the Season! I hope you all are as excited for Christmas as I am. The preschoolers are busy making festive crafts, practicing for their Christmas program, and decorating trees that we have in our classrooms. We haven't gotten to go outside as often as we would like, because of the weather, but we do use our full size gym every day. As a Gold Sneaker facility, it's vital that we highlight the importance of being active to our children. Every day we run, jump, climb, and use our muscle groups. Then, we come into our classrooms and eat a healthy lunch. This helps their minds focus on all the information that they learn at school. **Please remember to dress your little ones in layers and to bring a nice, warm coat.** Thank you for all that you do to help us!
