We are starting to feel some Spring fever at Wesley Preschool. The warmer days that are mixed into our late winter weather have been such a blessing. This month we will be talking about plants, animals, and nature. During chapel, we will be focusing on the life of Jesus and His miracles. Spring is such a joyous time, and we are so glad to spend our days teaching your children about God's gifts. Please mark your calendars for Spring Pictures and Spring Break! Happy March, everyone!

We need one or two volunteers to help with our Lending Library.
Contact Teri 423-483-4869

Dates to remember:

March 3 – March 7
Parent/Teacher Conferences

March 17–21
Spring Break

April 1 & 2 -Spring Pictures

April 16 & 17—Egg Hunts

April 18- No school

April 23—Pre-K Graduation Pictures

Picture Day!

Tuesday & Wednesday April 1 & 2 will be picture days. We will be using Giggles & Grins photography for our school pictures this year. Denim and pastel clothing in solid colors will work best with the backdrop. You will receive an email with the proofs in them. You may order online and view extra pictures of your child. Thank you!

Graduation Pictures

We are taking outside graduation pictures through oliverstwest photography this year on **Wednesday, April 23**. Proofs will be sent directly to your emails. You will buy directly from the photography company. If your child does not attend on Wednesday, I will send a time home for you to have them at school for their pictures. I hope to do a group picture as well. Cap & gown will be provided for the individual picture. Please keep in mind caps will be worn when fixing hair. If you have any questions feel free to call me 423-483-4869. Have a blessed day!

Parent teacher conferences were held this week on March 3-7. During conferences, teachers will be going over your child's developmental checklist. If you have thoughts about delaying kindergarten, this is the perfect opportunity to discuss your decision. **As posted in several newsletters we offer conferences ANYTIME through the school year. We ask you call to schedule that appointment.**

***No School**

March 17—21- SPRING BREAK

Reminder

Please be aware of any choking hazards in your child's lunch. The state requires that all small round foods be sliced before serving, the most prolific of these being grapes. Large slices of peaches are also particularly dangerous, as they can slide down the child's throat. Hot dogs, whole nuts, and gummies are also foods that are considered a high risk for choking.

Food Item of the month:

Mac-n-cheese. Thank you for supporting Good Samaritan Ministries

Tennessee weather is unpredictable! Please remember **to send a jacket and have appropriate "extra" clothing.**

Spring Break is a perfect time to wash your child's backpack and lunch boxes.

We will be having an Easter Egg hunt during your child's recess time on the playground on Wed. April 16 & Thurs. April 17. If you are interested in helping your child's class hiding eggs please let the teacher know which day. Each child will bring a basket labeled with their name on it to find eggs. We also need donations of individually wrapped candy to fill the baskets.

Sunscreen:

Please apply sunscreen to your child before school every day. If you are concerned about it wearing off, we can apply it at school, but you must fill out a medication sheet. Sunscreen must be stored in the lock-box in my office.

Matthew 28:6

He is not here; for He has risen!
