Can you believe a New Year a new Decade! I pray you had a blessed Holiday Season with your family. First off, thank you to everyone who attended our Christmas program. It meant so much to the kids to be able to perform for you all. They were so excited, and a little nervous too! Second, you all spoiled us this year with so many gifts! We truly feel loved and appreciated. Thank you! We are refreshed and ready to take on the second half of the school year. We've got some fun activities and lessons planned for the next few weeks. It feels good to be back into a routine, and I missed seeing so many smiling faces every day! Let's have a great January.

Thanks!

We will have classroom Valentine's Parties on February 13 and 14. Please ask your teacher for a class list if you do not have one. You may send in valentines, candy, treats, etc. Each child will make a bag in class to carry all of his/her treats. Parents are welcome to come enjoy the festivities. Please arrange everything with your child's teacher, as each class will be different. Thanks!

Registration will begin the first week of February. I will send home registration forms on Friday, Jan. 31. Please complete these and send them back, with the registration fee promptly to confirm a spot. I will open up registration to church members and previous families on Feb.10, and then I will open it to the public on Feb 17. Spots are first come/first served. We have been blessed with full classrooms and a long waitlist this year, so please register quickly and secure your spot. We will continue to have a 2's room, a 3's room, and two pre k rooms as long as registration is full. Thank you!

Parents,

Please remember to change your child's extra clothes to weather appropriate clothes .

Also ,please remember to send a jacket with your child to school each day.

For the benefit of all, Please do not send your child to school sick. They must be free from fever (without medication), vomit or diarrhea or rashes for **24 Hours** before returning to school! We are excited about getting back to helping your child grow academically as well as spiritually!
