March has been a busy and fulfilling month for the preschool. We had some really productive parent/teacher conferences, a restful spring break, some really fun Dr. Seuss activities. Most of our families have registered for next school year, or are making plans for kindergarten. Please see me if you have not registered, but would like a space. Several of our programs are completely full, but I might be able to work with you to get a placement.

## Sunblock

Please remember to apply sunblock to your child before school. If you would like us to apply it to your child, you will need to fill out a medical release form and supply us with sunscreen. We do not mind doing this; however, please keep in mind that it takes a while to apply sunscreen to a classroom full of children which cuts into their outdoor play time.

## Toddler room

Our youngest classroom has several spaces open for fall. Please get the word out that we have all days available for ages 2-3 years.

Preschool Easter Egg hunts will be on **Wednesday March 31 & Thursday April 1** . These will take place on the preschool playground during the class' designated recess time. Please send in Gift Card if you would like to contribute. We hunt empty eggs and then fill their baskets with candy. Your child will need to bring an Easter basket with your child's name on it to school on both days. (if you come both days)
