There is so much to be thankful for at Wesley Preschool. Our teachers have so much love in their hearts for the children in their rooms. I am so thankful to all of the staff that makes Wesley Preschool such a wonderful early childhood education program. I am also very thankful for the wonderful parents who entrust their children to us. We know how difficult it is to allow someone else to be responsible for the well being of your child. (even for a few hours) We never take it for granted. I am most thankful for the children themselves. They are such bright rays of sunshine. Their laughter and sweet voices fill our hallway with warmth and cheer. God is good! I am saddened to say, we will NOT be having our traditional Thanksgiving Feast with all of our preschool families this year. However, we will be tasting a few things that maybe the Pilgrims and Indians shared together in the classrooms.

Parents,

The holidays are for spending with family, but keep in mind our little ones get sick easily. Ventilation when indoors is very important. Flu season along with Covid and RSV have begun so please discuss the importance of washing hands and covering your mouth with your children. If your child is sick, please think of others before sending your child to school. Please up-date your child's extra clothes with warm ones and bring a coat each day. We

Our Christmas Program will be held on Friday December 16 @ 12:00 here at school. The children will be learning many new songs.

We are starting to practice for our Christmas program. Please plan for someone to attend this program. The children work very hard, and they want to share their performance with their loved ones.

Enjoy your family this Thanksgiving Season. We have so much to be thankful for! Praise God from whom all blessings flow!

Happy Thanksgiving from all the staff at Wesley Preschool.

O give thanks unto the Lord; for he is good: for his mercy endureth forever. Psalms 118:29
